*Love me,  
don't Leave me*

## USER INFORMATION & CLEANING

### USER INFORMATION

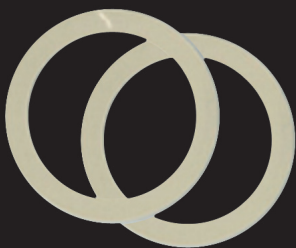

- Before using for the first time, wash the bottle, seal and drinking cap.
- Use only with ready-to-drink beverages.
- Suitable for fruit juices and isotonic drinks.
- When using with carbonated drinks, avoid shaking and take care when opening.
- Caution: alcoholic, fermented or nutrient-rich beverages may cause excessive pressure to build up inside the bottle.
- Fill bottle to no more than 3 cm below the rim.
- Do not use for non-drinkable substances, for example liquid fuels or other flammable, corrosive or chemical substances.
- Not suitable for the microwave - **risk of explosion**, for cooking or for deep freezing.
- Bottle can be placed in the refrigerator.

### CLEANING

We strongly recommend to remove the cap and wash both cap and bottle well after each use. The bottle and drinking cap should be thoroughly cleaned by hand in hot water, using regular dishwashing liquid. Allow to dry before reassembling. Remove drinking cap regularly. Do not clean with steel wool, a stiff brush or an abrasive as these may damage the bottle.
